

## Fan Heater

## Description

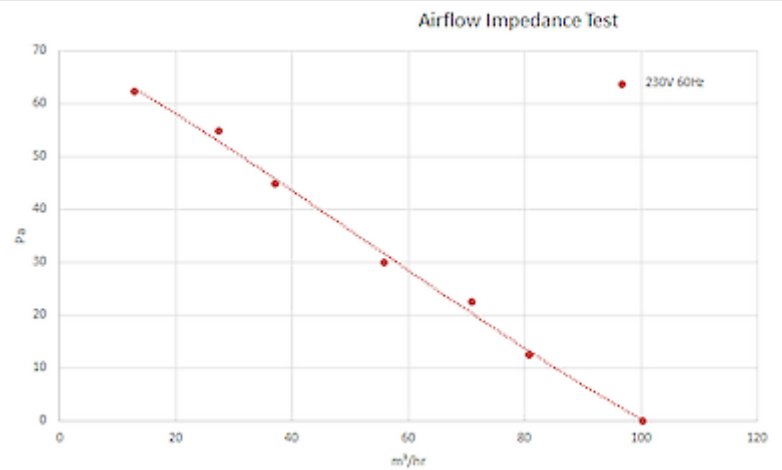

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| <b>Order Number:</b>       | 8011K4A33001                                                            |
| <b>Brand Name:</b>         | SOLIFLEX                                                                |
| <b>Colour:</b>             | silver                                                                  |
| <b>Ingress Protection:</b> | IP 20                                                                   |
| <b>Included:</b>           | Adjustable thermostat<br>status indicator light<br>Fan switch Auto / On |
| <b>Optional:</b>           | 35mm DIN Rail clip (EN50022)<br>Part-no. SP-KH801-AK-1                  |
| <b>Approvals:</b>          | CE, cURus                                                               |
| <b>UL File Number:</b>     | E358386                                                                 |

## Technical Data

|                                     |                            |
|-------------------------------------|----------------------------|
| <b>Heating power at 10°C:</b>       | 1300 W                     |
| <b>Operating Temperature Range:</b> | -40 to 70 °C               |
| <b>Mounting:</b>                    | Screws or DIN rail bracket |
| <b>Dimensions A x B x C (D+E):</b>  | 190 x 126 x 155 mm         |
| <b>Weight:</b>                      | 1.5 kg                     |
| <b>Voltage / Frequency:</b>         | 115 V ~ 60 Hz              |
| <b>Rated current:</b>               | 10.8 A                     |
| <b>Fan air flow, approx.:</b>       | 83 m³/h                    |
| <b>Noise level:</b>                 | 51 dB(A)                   |
| <b>Fuse:</b>                        | 16 A (T)                   |
| <b>Connection:</b>                  | 3 pole push fit connector  |
